Illinois State Dental License #19-024971 Illinois State Specialist(Periodontics) License #021-001938

EDUCATION

July 1996 - June 1999	University of Louisville, School of Dentistry (Louisville, Kentucky). Awarded Certificate in Periodontics and Master of Science (M.S.) Degree in Oral Biology.
Sept. 1992 - May 1996	University of Michigan, School of Dentistry (Ann Arbor, Michigan) Awarded Doctor of Dental Surgery (D.D.S.) Degree.
Sept. 1989 - May 1992	University of Michigan; College of Literature, Science and Arts. (Ann Arbor, Michigan).

LICENSURE

July 1, 2013 – July 1, 2015	Restricted License (No. P-142) as Assistant Clinical Professor-Oral Surgery, LSU School of Dentistry. Louisiana State Board of Dentistry.
June 2001 – Present	Associate Medical Staff, Department of Surgery, Division of Dentistry, Advocate Lutheran General Hospital (Park Ridge, IL)
May 2000 - Present	Diplomate, American Board of Periodontology
February 2000 - 2003	State of Michigan Specialty License in Periodontology
November 1999 - 2003	State of Michigan Dental License
August 1999 - Present	State of Illinois Specialty License in Periodontology
July 1999	NorthEast Regional Specialty Board (NERB) Examination in Periodontology
March 1999 - Present	State of Illinois Dental License
June 1996 – 2002	Commonwealth of Kentucky Dental License
September 1996	NorthEast Regional Board of Dental Examiners (NERB)

AWARDS and HONORS

November 2015	Fellow, International College of Dentists
November 2015	Fellow, American College of Dentists
May 2014	American Academy of Periodontology commissioned Periodontal Regenerative Medicine World Workshop. Participation by invitation only. Enhancing Periodontal Health Through Regenerative Approaches. (Chicago IL).
2014 – Present	Advisory Board Member, <i>Collaborative Care</i> (a publication from AEGIS and the American Academy of Periodontology).
2014 – Present	Adjunct Clinical Assistant Professor, Department of Graduate Periodontics; University of Illinois, College of Dentistry (Chicago, IL).
2013 - 2015	Assistant Clinical Professor, Department of Oral and Maxillofacial Surgery; Louisiana State University, School of Dentistry (New Orleans, LA).
2013 – Present	Future Leaders of Implant Dentistry (FLOID) member (one of 9 internationally chosen members by Biomet 3i).
2012 – Present	Original Inductee. McGuire Institute for Practice Based Research Network (iMc)
2012 - Present	Examiner. Part II. American Board of Periodontology certification process
September 2011	Advisory Board Member and Teaching Faculty, Organogenesis Inc.
April 14-16, 2011	Selected as one of ten American clinicians to participate in the North American Advisory Group for Geistlich Pharmaceuticals at the International Osteology Symposium (Cannes, France).
2011 – current	Selected as an ad hoc reviewer for select articles submitted to the <i>International Journal of Periodontics and Restorative Dentistry</i> .
2008 - current	Selected as an ad hoc reviewer for select articles submitted to the <i>International Journal of Oral and Maxillofacial Implants</i> (the official publication of the Academy of Osseointegration).
2007 - current	Selected as an ad hoc reviewer for select articles submitted to the <i>Journal of Periodontology</i> (the official publication of the American Academy of Periodontology).
September 1999	1999 Dr. and Mrs. Gerald M. Kramer Scholarship for Excellence Finalist. American Academy of Periodontology Foundation award for outstanding resident of the year.
September 1998	1997/1998 National Competition for Graduate Students: Case documentation of PerioGlas® and/or Atrisorb® sponsored by Block Drug Corporation; First Place Award.
January 1998	1998 Hellenic American Dental Society of Chicago Student Scholarship recipient.
May 1996	1996 recipient of the Max B. Winslow Award for clinical periodontics.
March 1995	1995 American Association for Dental Research Student Research Fellowship recipient.

March 1994

RESEARCH

University of Michigan Student Research Group Fellowship recipient.

December 2013- Present

A prospective, randomized, controlled, multi-center study with direct measure and histological evaluation comparing Geistlich Bio-Oss Collagen® + Geistlich Bio-Gide® and Oragraft DGC® + BioMend Extend® for posterior buccal dehiscence extraction site ridge preservation. *In progress.*

October 2011 – October 2013

A post-market clinical, radiographic and histologic evaluation of demineralized freeze dried bone allograft in extraction socket procedures. Accell Connexus, Keystone Dental, Inc.

March 2011 – Present

Clinical analysis of a biomemtic implant system. 5 year survival rates, marginal bone-level changes, and soft tissue esthetics. A Multi-center Single Arm Prospective Study on the Genesis Dental Implant system, Keystone Dental, Inc. *In progress.*

Sept. 1996 - June 1999

Masters Thesis: “The Effect of a Dilute Hydrogen Peroxide Mouthrinse As a Subgingival Lavage During Supportive Periodontal Maintenance Therapy. A 12 Month Clinical and Microbiological Investigation”.

March 1995 - May 1996

1995 American Association for Dental Research Student Research Fellowship recipient to conduct research project: “Comparison Between Modified Ultrasonic Tips, Diamond Bur to Hand Instrumentation in Furcation Molars: An *In Vitro* Study”.

Winter 1995 and 1996

One of nine U of M dental students selected to participate in Dental Student Research Elective course (a seminar and laboratory course offered to students actively involved in research projects).

Summer 1994

University of Michigan Student Research Group Fellowship Recipient to conduct research project: “Comparative Analysis Between Different Ultrasonic Scaler Tips to the Hand Instrumentation Based on Clinical Parameters of Periodontal Disease”.

Summer 1993

Research Assistant for the study: “The Effect of Low Dosage Doxycycline in Patients with Periodontitis”. University of Michigan, School of Dentistry, Department of Graduate Periodontics.

Summer 1993

Research Assistant for the study: “Molecular Regulation of the Parathyroid Hormone Receptor”. University of Michigan, School of Dentistry, Department of Periodontics/Prevention/Geriatrics.

PRESENTATIONS

June 2016

Main podium presentation at the 12th International Symposium on Periodontics and Restorative Dentistry presented by the Quintessence International Publishing Group. (Boston, MA)

- June 13, 2015 Tissue Engineering for Bone Reconstruction in Implant Site Development. Main podium presentation at the 2015 Central and Western District Annual Meeting of the American Academy of Implant Dentistry. (Chicago, IL)
- April 18, 2015 The Digital Treatment Workflow Utilizing SimPlant Planning Software.
Main podium presentation at the BioHorizons 2015 Global Symposium. (Los Angeles, CA)
- February 28, 2015 Tissue Engineering for Bone Reconstruction in Implant Site Development. Main podium presentation for the essay program at the 2015 Annual Meeting of the American Academy of Restorative Dentistry. (Chicago, IL)
- February 26, 2015 Imaging from a Periodontist's Perspective. Main podium presentation at the 60th Scientific Meeting of the American Equilibration Society - Interdisciplinary Dentistry in the 21st Century. (Chicago, IL)
- February 23, 2015 Surgically Facilitated Orthodontic Therapy. The Next Frontier In Interdisciplinary Dentofacial Therapy. Guest lecture presented to the 32nd Annual International Interdisciplinary Dental Conference. (Telluride, CO)
- December 4, 2014 Surgically Facilitated Orthodontic Therapy. The Next Frontier In Interdisciplinary Dentofacial Therapy. Guest lecture presented to the Departments of Graduate Orthodontics and Graduate Periodontics at the University of Illinois, College of Dentistry. (Chicago, IL).
- October 28, 2014 Imaging from the Periodontists Perspective. Guest lecture presented to 2014 Harvard School of Dental Medicine. (Boston, MA) continuing education symposium: A comprehensive approach to implant therapy.
- October 17, 2014 Surgically Facilitated Orthodontic Therapy. The Next Frontier In Interdisciplinary Dentofacial Therapy. Presented to the Seattle Study Club of Dr. Michael Cohen (Seattle, WA).
- October 9, 2014 Surgically Facilitated Orthodontic Therapy. The Next Frontier In Interdisciplinary Dentofacial Therapy. Guest lecture presented to the Departments of Graduate Orthodontics and Graduate Periodontics at the University of Pennsylvania, School of Dental Medicine. (Philadelphia, PA).
- September 20, 2014 Bone graft overview. BioHorizons and Medtronic Biologics Partner dinner lecture hosted during the American Academy of Periodontology Annual Session. (San Francisco, CA)
- June 19, 2014 CBCT and software directed oral and facial reconstruction. Main podium presentation with Dr. Dan Spagnoli. 2014 Dental XP Global Symposium. (Hollywood, FL)
- January 24, 2014 Imaging From a Periodontist's Perspective and Collaboration in the 4th Dimension with CT guided implantology. Presented to the Southern Academy of Periodontology. (Atlanta, GA)

- May 31, 2013 Imaging From a Periodontist's Perspective and Collaboration in the 4th Dimension. Presented to the University of Michigan, School of Dentistry, Department of Graduate Periodontics. (Ann Arbor, MI)
- April 26, 2013 Dental Implants- Collaboration in the 4th Dimension. Presented at the Jack Kent Oral and Maxillofacial Surgery Foundation sponsored "Oral And Maxillofacial Surgery Pearls II". (New Orleans, LA)
- February 8, 2013 Imaging from the Periodontists Perspective. Main Podium Presentation. A Collaborative Approach for Today's Patient- Orthodontists and Periodontists Working Together. American Association of Orthodontists – American Academy of Periodontology (AAO-AAP) Joint Winter Conference. (Palm Desert, CA, USA).
- January 26, 2013 Collaboration in the 4th Dimension. Presented to the LSU School of Dentistry Graduate Departments on behalf of the Department of Oral and Maxillofacial Surgery. (New Orleans, LA)
- November 2, 2012 Limitations and Potential for Technological Surgical Placement of Implants. Presented to the NorthEast Society of Periodontists Fall Meeting with Dr. Alan Rosenfeld. (New York, New York).
- October 2, 2012 Enhancing Esthetic and Functional Restorative Outcomes through Interdisciplinary Therapy. General Session - Main Podium Presentation at the American Academy of Periodontology's 98 Annual Meeting. (Los Angeles, CA) with Drs. Brian Vence and David Forbes.
- September 18, 2012 Surgically Facilitated Orthodontic Therapy. A Game Changer for Interdisciplinary Dentofacial Therapy. Presented to the Chicago Dental Forum. (Chicago, IL)
- September 13-14, 2012 Treatment Planning in the 4th Dimension. The Era of CBCT Imaging in Periodontics. Presentation given to the Seattle Study of Atlanta and the ITI study club of Atlanta (Atlanta, GA).
- May 17, 2012 Treatment Planning in the 4th Dimension. The Era of CBCT Imaging in Periodontics. Presentation given on behalf of the Carestream Dental Educational Initiative to Periodontists. (Milwaukee, WI)
- April 19, 2012 Clinical Myths and Realities of Computer Guided Implant Therapy. Presented at the International Congress of Oral Implantologists (ICOI) Spring Symposium. (Toronto, Ontario, Canada).
- April 7, 2012 Treatment Planning in the 4th Dimension. The Era of CBCT Imaging in Periodontics. Presentation given on behalf of the Carestream Dental Educational Initiative to Periodontists. (Houston, TX).
- April 7, 2012 Treatment Planning in the 4th Dimension. The Era of CBCT Imaging in Periodontics. Presentation given on behalf of the Carestream Dental Educational Initiative to Periodontists. (Seattle, WA).
- March 10, 2012 Treatment Planning in the 4th Dimension. The Emerging Specialty Specific CBCT for the Periodontist. Carestream Dental 2012 3D symposium (Atlanta, GA).
- February 27, 2012 Periodontology in the 4th Dimension. Collaborative Accountability and Restorative Leadership. Evening presentation given to the Department of

Oral and Maxillofacial Surgery, Loyola University, Strich School of Medicine. (Maywood, IL).

- February 25, 2012 Periodontology in the 4th Dimension. Collaborative Accountability and Restorative Leadership Biologic shaping for natural teeth. Contemporary Periodontology and Implant surgery. Presented to the Chicago Dental Societies Midwinter Meeting on behalf of the Illinois Society of Periodontists. (Chicago, IL)
- February 18, 2012 Treatment Planning in the 4th Dimension. The Era of CBCT Imaging in Periodontics. Presentation given on behalf of the Carestream Dental Educational Initiative to Periodontists. (Brooklyn, NY).
- November 14, 2011 Clinical Myths and Realities of CT Guided Implant Therapy. Presented at the Continuing Education Session at the 98th Annual American Academy of Periodontology Meeting (Miami, FL).
- November 13, 2011 Alternative Applications of Guided Surgery in Antral Sinus Bone Grafting. Presented at the Innovations in Periodontics Session at the 98th Annual American Academy of Periodontology Meeting (Miami, FL).
- November 12, 2011 Treatment Planning in the 4th Dimension. The Era of CBCT Imaging in Periodontics. Two separate presentations at the Carestream Dental Corporate Forum during the 98th Annual American Academy of Periodontology Meeting (Miami, FL).
- November 3, 2011 Clinical Myths and Realities of Computer Applications for Implant and Periodontal Diagnosis and Surgery. Presented to the Dawson-Pankey Study Club of Dupage County (Darien, IL)
- October 12, 2011 Treatment Planning in the 4th Dimension. The Era of CBCT Imaging in Periodontics. Evening presentation given on behalf of the Carestream Dental Educational Initiative to Periodontists. (Pikesville, MD).
- October 1, 2011 Treatment Planning in the 4th Dimension. The Era of CBCT Imaging in Periodontics. ½ day presentation given on behalf of the Carestream Dental Educational Initiative to Periodontists. (Teaneck, NJ).
- September 10, 2011 Treatment Planning in the 4th Dimension. The Era of CBCT Imaging in Periodontics. ½ day presentation given on behalf of the Carestream Dental Educational Initiative to Periodontists. (Washington, DC).
- March 3-4, 2011 Mandelaris GA, Lu M, Rosenfeld AL. The utilization of a xenogeneic collagen matrix as an interpositional soft tissue graft to enhance peri-implant soft tissue outcomes. A clinical case report and histological analysis. Poster presentation made during the 26th Annual meeting of the Academy of Osseointegration. (Washington, DC).
- May 12, 2010 Principles of Computer Guided Implantology. Half day presentation hosted by the periodontal and implant practice of Dr. David Cohen. (Crystal Lake, IL).
- February 2, 2010 Principles of Computer Guided Implantology. Evening presentation hosted by the oral and maxillofacial practice of Dr. Nader Moavenian. (Nashua, NH).
- December 12th, 2009 Principles of Computer Guided Implantology. Level I. All day lecture on for the SimPlant Academy. (Portland, OR)

- September 13, 2009 A Private Practice Based Clinical Research Network to Evaluate the Functional and Esthetic Outcomes of Immediate Provisionalization of Implants Placed into Fresh Extraction Sites. Presented at the Innovations in Periodontics section at the 95th annual session of American Academy of Periodontology. (Boston, MA)
- August 14, 2009 Principles of Computer Guided Implantology. Lecture and live surgery on CT guided technology at the University of Louisville, School of Dentistry, Department of Graduate Periodontics. (Louisville, KY).
- April 17th, 2009 Principles of Computer Guided Implantology. All day lecture to the Dawson-Pankey Study Club of DuPage County. (Downers Grove, IL)
- March 17, 2009 Is restorative leadership a myth? How to ensure collaborative accountability using computer guided implantology. Presented to the Fox River Valley Dental Society (Geneva, IL)
- March 1, 2009 Is restorative leadership a myth? How to ensure collaborative accountability using computer guided implantology. Presented to the American Academy of Restorative Dentistry. (Chicago, IL)
- February 28, 2009 Collaborative accountability and the art of computer guided implantology. Presented to the Chicago Dental Societies Midwinter Meeting on behalf of the Illinois Society of Periodontists. (Chicago, IL)
- February 27, 2008 Principles of Computer Guided Implantology. All day presentation to the 2009 Midwest Society of Periodontology's Annual Session. (Chicago, IL)
- November 13-14, 2008 Collaborative Accountability and the Art of Guided Implantology. Presented to the Premiere study club and Master's study club (Seattle, WA).
- November 6-8, 2008 Collaborative Accountability and the Art of Guided Implantology. Live surgery demonstration of a prototype cutting guide for precise outlining of the lateral window. Presented at PerioHealth Seminars for Drs. Mike McGuire and E.Todd Scheyer (Houston, Texas).
- May 31, 2008 Sinus floor augmentation in the atrophic maxilla: A novel approach using guided surgery with and without simultaneous implant placement. Presented at the 2008 Materialise SimPlant Academy World Conference (Vienna, Austria).
- May 16, 2008 Collaborative Accountability and the Art of Guided Implantology. Presented on behalf of RDH Health Services. (Troy, MI).
- May 15, 2008. Collaborative Accountability and Computer Guided Implantology. Presented to the University of Michigan, School of Dentistry, Graduate Periodontal Residents. (Ann Arbor, MI)
- April 30, 2008 Reaching the next level with computer guided implantology. Presented to the Connecticut Society of Periodontists Annual Spring Meeting entitled "Rising Stars In Periodontics" (Cromwell, CT).
- April 24, 2008 CT Guidance Technology. All day lecture presented at the Biomet 3i Global Symposium. (Chicago, IL)
- April 11-12, 2008 Clinical applications in Computer Guided Implantology. 2 day lecture presented to beginner and advanced SimPlant users. (Seattle, WA)

- October 24, 2007 Computer Guided Implantology and the evolution of Collaborative Accountability. Presented to the Dawson-Pankey Study Club of Dupage County (Downers Grove, IL)
- August 24-25, 2007 Clinical applications in Computer Guided Implantology. 2 day lecture presented to advanced SimPlant users. (Lisle, IL)
- June 1-2, 2007 Collaborative Accountability. The philosophical mantra for prosthetically directed implant therapy. Materialise World Symposium (Washington, DC).
- March 3-4, 2007 Selected to participate in the opinion leaders conference sponsored by Johnson and Johnson and hosted by The Avenues Company. "The use of Ossix Plus bioresorbable collagen membrane. Clinical assessment based on 3 months of personal experience". (Phoenix, AZ).
- February 9, 2007 Computer Guided Implantology Level One Training Course (Dallas, Texas) Sponsored by Materialise Dental USA.
- November 3-4, 2006 Computer Guided Implantology Level One Training Course held in Houston, Texas sponsored by Drs. Michael McGuire and E. Todd Scheyer. Sponsored by Materialise Dental USA and Implant Innovations (3i).
- September 15, 2006 Selected to participate in "The Next Big Ideas: Emerging Technologies and Rising Stars in Periodontology" sponsored by The Avenues Company held in conjunction with the 92nd annual meeting of the American Academy of Periodontology. Presented with Dr. Alan Rosenfeld on Computer Guided Implantology on behalf of Materialise Dental. (San Diego, CA)
- July 28-30, 2006 Selected to participate in "The Next Big Ideas: Emerging Technologies and Rising Stars in Periodontology" sponsored by The Avenues Company. Presented with Dr. Alan Rosenfeld on Computer Guided Implantology on behalf of Materialise Dental. (Sedona, AZ)
- April 14, 2006 A collaborative strategy to immediate loading of dental implants. Presented to the University of Louisville, Graduate Periodontal Residency Program (Louisville, KY).
- January 17, 2006 A collaborative strategy to immediate loading of dental implants. Presented to the Wheaton Dental Society Study Club (Wheaton, IL).
- November 17, 2005 The New Era of Implantology. The use of 3D imaging, stereolithographic modeling and surgical guides to deliver prosthetically directed treatment outcomes. Presented to study club of Drs. Michael McGuire and E. Todd Scheyer (Houston, TX).
- November 5, 2005 The evolution of collaborative accountability and the achievement of predictable implant supported prosthetic outcomes. Co-presentation with Dr. Dennis Hartlieb at the 2005 Materialise World Symposium (Chicago, IL).
- May 4, 2005 The New Era of Implantology. The use of 3D imaging, stereolithographic modeling and surgical guides to deliver prosthetically directed treatment outcomes. Computer Guided Implantology Seminar with SimPlant Training (Co-sponsored by Facial Imaging) (Rocky Hill, CT).
- September 21, 2004 "Collaborative Accountability: Management of diagnostic information,

- planning and execution of minimally invasive implant installation in the esthetic zone. Absolute anchorage for orthodontic therapy” presented to the Chicago Academy of Dental Research. (Chicago, IL)
- June 3, 2004 Ob/Gyn M & M grand rounds presenter at Lutheran General Hospital on “The relationship between Pre Term Low Birth Weight and Inflammatory Periodontitis”. (Park Ridge, IL)
- November, 2003 Dental Management of the Cancer Patient. Protocol for Patient Management. Lutheran General Hospital (Park Ridge, IL).
- September 16, 2003 Guest presenter to the Chicago Dental Forum Study Club on “Management of Diagnostic Information in the Development of an Anterior Esthetic Prosthetically Directed Implant Restoration”. (Chicago, IL)
- Sept. 1999 Selected for poster presentation of “Effect of a Hydrogen Peroxide - Zinc Chloride Subgingival Lavage During Maintenance on the Bacterial Repopulation Rate.” American Academy of Periodontology’s 86th Annual Session (San Antonio, Texas).
